

# INCOSE UK Tutorial Days 2012

Once again INCOSE UK offers an exceptional selection of one day tutorials to be presented on Wednesday 14th March at Lydiard House, Swindon SN5 3PA and Wednesday 20th June at BAWA, Bristol, BS34 7RG. All the tutorials will be delivered by respected Systems Engineering experts, with track records in delivering successful training.

Our tutorial days in 2011 were extremely well received. Over 70% of those who returned a tutorial feedback form, rated the technical content as 'excellent'. Most said that they would attend a similar event again and would recommend it to colleagues.

## Develop Your Skills with an INCOSE UK Tutorial

There is a strong emphasis on the practical application of the topics covered to deliver direct benefits to your 'day-job'. A tutorial will also contribute 6 PDUs (Professional Development Units) towards INCOSE CSEP or ESEP certification, and may contribute to other professional development schemes.

Our tutorials offer provide an interactive environment where you will gain the maximum benefit from the presenters' extensive knowledge and expertise. With around 10 to 15 attendees at each tutorial there will be ample opportunity to raise your questions with the presenter.

### Selection for March 14th 2012

Chris Hayhurst  
Angelina Samaroo  
Colin Hood  
Mike Brownsword

Model-Based SE from Requirements Capture to Systems Integration  
Software Test Management – verify upstream, reduce costs downstream  
Understanding Requirements  
Introduction to TRAK

### Selection for June 20th 2012

Jon Holt & Simon Perry  
Paul Davies & Hazel Woodcock  
Peter Brook & Tom Riley

Model-based Requirements Engineering  
Systems Engineering for Interfaces  
Architecture – an introduction

Each day is priced at £300 plus VAT for INCOSE members and £375 plus VAT for non-members. Non-members will be able to claim member rates on signing up for annual INCOSE membership during the registration process (£95 VAT exempt).

Student members and INCOSE Seniors can register for £200 plus VAT per tutorial, and full time students who are not members can register for £235 plus VAT per tutorial (which includes one year student membership of INCOSE).

All prices include refreshments throughout the day and lunch. There is a 15% discount (excluding student and senior concessions) on the second tutorial if you book one on each day.

Register on-line at [www.incoseonline.org.uk](http://www.incoseonline.org.uk), where full details of all tutorials, prices and venue can be found.
